PROFILE

Demonstrated proficiency in rapidly acquiring new technologies and integrating them to solve practical challenges. Currently pursuing an entry-level position to leverage my expertise and aptitude for the betterment of a team and the company as a whole.

EDUCATION

B.Tech Computer Science *Raj Kumar Goel Institue Of Technology*	2021-2025
Intermediate - *81%* *Central Board Of Secondary Education*	2021
Matriculation - *88%* *Central Board Of Secondary Education*	2019

SKILLS

Languages: Java, C, Python, JavaScript, HTML/CSS, SQL

Tools: Git/GitHub, VS Code, PyCharm, MySQL, Anaconda

Soft Skills: Teamwork, Good-listener, Supportive, Leadership skills, Problem Solving

Skills: DSA, Front-End Web Development, Database Management

PROJECTS

Front-End Travel Booking Site | *HTML/CSS, JavaScript, VS Code* | GitHub   2023

- Developed a responsive and user-friendly travel booking website, enabling users to search for flights, hotels, and car rentals. Utilized HTML, CSS and JavaScript to create an engaging and interactive user interface

Smart Attendance System | *Python, Pycharm, OpenCV, NumPy, VS Code* | GitHub   2023

- Developed a smart attendance system using Python and machine learning, designed to automate and enhance the process of tracking attendance. Utilized facial recognition technology to accurately identify and record student or employee attendance. Implemented machine learning algorithms for face detection and recognition, ensuring high accuracy and efficiency. Designed the system using PyCharm, leveraging libraries such as OpenCV, NumPy, and scikit-learn. Conducted extensive testing to validate the system's performance and reliability. Created a user-friendly interface for administrators to manage attendance records and generate reports.

INTERESTS

Dancing
A passionate dancer always ready to take participate in cultural events.

Exploring New Things
Enthusiastic about exploring new things and constantly seeking out new experiences and knowledge. Enjoys diving into diverse activities such as learning new languages, trying different cuisines, traveling to unfamiliar places, and experimenting with various hobbies and crafts.
